

# ***ADULT ENTERTAINMENT CLUB MINISTRY***

## ***-DO LIST-***

- ***DO-*** Acknowledge management's authority. This shows respect and consideration and will open the door for acceptance from the dancers.
- ***DO -*** Sit in a location near an exit.
- ***DO -*** Look comfortable and natural in their environment. “As if you belong.”
- ***DO -*** Have an awareness of your surroundings. (exits; entrances; bouncers; new customers; etc.)
- ***DO -*** Order a non-alcoholic beverage and ***TIP*** please.
- ***DO -*** Tip the dancer’s on stage.
- ***DO-*** Respect the fact that a dancer's time is money.
- ***DO -*** Have intercessors in pairs on the outside of the club in which you are ministering.
- ***DO -*** Have a location in which you are designated by the Holy Spirit to visit. (Remember: Satan sends opportunity; God makes divine appointments.)
- ***DO -*** Have an understanding of the environment in which you are entering.
- ***DO -*** Have an understanding of the women dancing. (Not just head knowledge, but Heart knowledge.)
- ***DO -*** Have an open mind, and a passionate heart for ***GOD’S*** girls.
- ***DO -*** Be sure you are motivated out of love, and not opportunity for praise and recognition from others.
- ***DO -*** Understand that this is a ministry about building ***TRUSTING RELATIONSHIPS***. This takes time, commitment, and effort on your part.
- ***DO -*** Know your boundaries.
- ***DO -*** Know when it’s time to leave by being sensitive to the Holy Spirit. When He say’s go....you go, no matter what you are doing or how you are ministering.
- ***DO -*** Know that it is ***OK*** if you do not feel called and anointed for this ministry. These are front lines of battle you are embarking on. Unless you are willing to risk ***everything*** you have for the right reasons (pure motives), ***DO NOT PASS GO!!!***

***REMEMBER...YOU ARE JUST A BODY IN WHICH GOD USES TO ACCOMPLISH HIS PURPOSE AND TASK. HE WON'T GIVE YOU SOMETHING TOO BIG; BUT BIG ENOUGH THAT YOU NEED HIM TO DO IT***

## ***-DON'T LIST-***

- ***DON'T*** - Try to skirt management. This is disrespectful. Always be straight forward and forthright in your purpose.
- ***DON'T*** - Sit in the back or hide while your in the club.
- ***DON'T***- Look paranoid or shocked by what you see. It WILL SHOW and it will be a detriment to what God is trying to accomplish.
- ***DON'T*** - Get so enveloped in the ministry aspect of things that you lose focus that you are in enemy territory.
- ***DON'T*** - If possible, drink beverages that you have not opened yourself. ( i.e.: bottled water - ask the cocktail waitress to allow you to open your own beverages).
- ***DON'T*** - Approach the stage without tipping. (If a dancer comes to your table and you ask her to join you - ***being led by the Holy Spirit Only*** - Tip her the cost of a table dance).
- ***DON'T*** - Have a man accompany you to the club unless you are **COMPLETELY** certain of his character as a Godly man, and then have him remain **outside** the club as part of your intercessory team. It takes an exceptional man of integrity to do this type of ministry and it is for the most part, an outreach better left to the women when it comes to the intial contact and building of relationships.
- ***DON'T*** - Do ministry **ALONE**. There is safety in numbers (but not too many...then there is suspicion.)
- ***DON'T*** - Just show up at a club because you feel like it. Be sure that God is directing you to a specific place, at a specific time, with a specific goal. Know what your ministry is for that appointed time.
- ***DON'T*** - Go in without understanding this business and how it operates. This is a bad idea!
- ***DON'T*** - Have a closed mind. You cannot allow what you see to affect you emotionally while you are there.
- ***DON'T*** - Advertise to the media that you are doing ministry. This is not a spectator ministry. You will undermine what God is trying to do.
- ***DON'T*** - Go unless you're motives are pure. If you are in this for glory, you'll get the coals I can assure you.
- ***DON'T*** - Expect miracles in an evening, or even two or three. This will be a long process of building consistent relationship with individuals.
- ***DON'T*** - Cross your boundaries.
- ***DON'T*** - Disobey the prompting of the Holy Spirit for any reason.
- ***DON'T*** - Leave your name and number. Be anonymous until you build relationship.

***REMEMBER...THEY DON'T KNOW THEY NEED A SAVIOR YET!!!***
