

*Ain't **NO** sugar daddy
that can compare to **MY** Daddy!*

Maybe you've met Him....

He has a special liking for quality gold and jewels and has spent many years cultivating the riches of these treasures. His collection is greater than *anything* you're eyes have ever seen!

He's quite the rancher as well! He owns *all* of the cattle upon a thousand hills! But the neatest part, is the personal expression of His love for all that is His, and you can see it in how He *carefully* shepherds His own flocks.

He is also a renowned politician who has taken a special interest in feeding the hungry and caring for the poor. And because of His compassion, He has *great* influence among Kings and Queens of *every* nation.

Of course, if the truth be spoken, He Himself is a *King!* He lives in a city made of gold, it's gates of pearl, and it's foundation laid with a multitude of precious gem stones!

He's known by many names, but I just call Him 'Father God.' He adopted me a number of years ago and my life has *never* been the same since! Oh, it's not on account of all of His riches, although, I am His heir now and as such, have claim to all that is His.

But He has given me so many *wonderful* things since I have known Him! The *best* by far is the forgiveness He gave me through the life of His Son, Jesus Christ. At first I didn't ask for that. I didn't think I needed to. But the closer I got to Him, the more I desired His forgiveness...and the only thing He required of me in return was to leave my old ways behind and come to Him for my needs. So I did!

The cool part is that none of what He has is just for me... it can all be *yours too!* Imagine, being the child of the King of Kings! That is exactly who you become when you ask Jesus to come into your life!

A child of the King!
And that is a position that *no* man can take away from you!

So, have you met my Daddy yet?
If you haven't, consider this your invitation!
Simply open up a Bible and let the Holy Spirit speak to
you through the Word of God.
Or talk to a Christian friend to find out more about how
you can live *a life of unparalleled abundance....*
because once you meet my Heavenly Father,
the keys to the Kingdom are *yours*
and the *most precious riches of life*
will elude you no more!
